

EMERGING

SERVICES

In a world where wellness is often synonymous with quick fixes and temporary solutions, the House of Nature stands out for its authenticity and integrity. Under the leadership of its Managing Director, Mohammad Ali Kalloo Khan, the wellness centre provides its patients with the best natural healthcare services. It offers a comprehensive range of preventive and curative healthcare services, alongside

complementary, non-invasive, and minimally invasive treatments. It also specialises in supportive therapies for the management of chronic conditions. Furthermore, its expertise spans Ayurveda, Yoga, Chiropractic, Unani, Hijama, Naturopathy, Homeopathy, and General Medicine.

TAILORED WELLNESS SERVICES

The House of Nature adopts a holistic approach to identifying and addressing the

underlying causes of illness rather than simply alleviating symptoms. It strives to help patients enhance their body's natural healing capacity by blending non-invasive treatments, patient education, and guidance. The institution also takes great pride in delivering compassionate care, maintaining strong patient-doctor relationships, and frequently earning referrals from satisfied individuals. Through a blend of preventive, curative, and complementary healthcare services, it strives to support patients in enhancing their natural healing capacities and achieving holistic well-being.

PATIENT-CENTRIC CARE

The House of Nature prioritises a patient-centric approach to provide tailored treatment plans to individual needs. Its hallmark lies in the dependable delivery of services, which has helped it earn the trust of its patients.

Over the years, The House of Nature has catered to 11,209 clients in a serene natural environment. Its vision is to pioneer natural medicine and holistic wellness approaches in the UAE and set the standard for health and wellness practices in the region. The wellness centre is backed by a team of highly qualified and experienced healthcare professionals licensed by the Department of Health (DOH), who provide compassionate and attentive care to its clients. Its dedicated team of licensed doctors collaborate closely with patients to deliver safe and efficient non-invasive treatments.

DRIVEN BY VALUES

The House of Nature is guided by a set of fundamental principles represented by 'ATSERVICE' – Attitude, Teamwork, Safety, Excellence, Respect, Value, Integrity, Compassion, and Empowerment. By embracing these values, the organisation fosters a culture rooted in compassion and empowerment. Its dedication to these values shines through its unwavering mission to deliver top-notch healthcare services to communities, all while maintaining utmost integrity. The wellness centre also exemplifies healthcare excellence within the rigorous framework established by the Abu Dhabi Government and the DOH regulations. Furthermore, it consistently delivers unmatched care and adheres to the highest industry standards with the guidance of professional bodies like AYUSH.
